Youth, Unity, Truth

The hope of the world is in Youth . . .
Youth who are
Strong,
Disciplined,
Prayerful.
For in strength there is security;
In discipline—devotion,
In prayer—power.
Youth must love each other,
Their world,
Their God.
Youth will bring peace—through love.

The hope of the world is in Unity . . .
Unity that is
Binding,
Firm,
Timeless.
For in a bond there is oneness;
In firmness—faith,
In timelessness—trust.
Unity is the result of love of neighbor,
World,
God.
Unity will bring peace—through love.

The hope of the world is in Truth . . .
Truth that is
Whole,
Constant,
Infinite.
For in wholeness there is holiness;
In constancy—courage,
In infinity—God—Eternal Love,
Soul of Youth
Soul of Unity
Soul of Truth

Dedication

The yearbook staff of the 1962 *Marian* wishes to dedicate this book to the memory of Reverend Mother Mary Gerald, O.P., who died at the Motherhouse in Adrian during our senior year. Mother Gerald was always young in spirit. She did her utmost to help, instruct, and encourage the YOUTH of the country who were under her guidance in all Adrian Dominican schools. While doing an unbelievable amount of work to extend the influence of her Community, Mother Gerald strove ardently to preserve UNITY in it, and thus in Catholic education in our hemisphere. Most important to us is the TRUTH that through her efforts was brought to us and to thousands of students like us. This truth and our Dominican training will lead us finally to our eternal goal where we hope to enjoy the happiness which is certainly known to Mother Gerald today. Prayerfully, we express appreciation for her example of leadership and Faith, commending her soul to the mercy of God Whom she loved so dearly.

We hope that from her place in Heaven, Mother Gerald will look with favor upon our work.

Our slender life goes rippling by, and glides
What is there

into the silent hollow of the Past.
that abides?

It is hardly fitting to close this book without expressing appreciation to all who have made it possible. A sincere Thank You is owing first to the Faculty and Students alike for all their encouragement and patience, and especially for working with us. We are grateful also to Mr. Dwight B. Parker, Jr., of the Taylor Publishing Company, as well as to Mr. Norbert Dompke and all at Root Photographers. We realize that it is only the united efforts and interest of so many which makes the *Marian* a reality.
